# The State of New Hampshire.

{  } To the inhabitants of the town of Gorham, in the County of Coos, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Opera-house hall, in said town, on Tuesday, the thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To see what sum of money the town will vote and appropriate for the observance of Memorial day.
4. To see what sum of money the town will vote and appropriate for the public library.
5. To see if the town will vote to authorize the selectmen to appoint a night watchman, and appropriate money for the same.
6. To see if the town will vote to allow the selectmen to distribute inventory blanks when taking inventory of the town.
7. To see if the town will vote to buy the Opera house and appropriate money for the same.
8. To see if the town will vote to observe Old Home week, and appropriate money for the same.
9. To hear the reports of town officers, agents and committees heretofore chosen and pass any vote relating thereto.
10. To transact any other business that may legally come before the meeting.

Given under our hands and seal this twenty-fourth day of February, in the year of our Lord nineteen hundred and six.

W. B. GATES,  
J. C. BURBANK,  
S. C. FOSTER,  
Selectmen of Gorham.

A true copy of warrant—attest:

W. B. GATES,  
J. C. BURBANK,  
S. C. FOSTER,  
Selectmen of Gorham.

CHAS. E. O'HARA, Road Agent.

Gorham, N. H., February 21, 1906.

# Report of Water Committee.

To the Inhabitants and Voters of the Town of Gorham:

The Water and Sewer Committee, appointed at the annual town meeting in March, 1905, beg to report as follows:

That, in beginning their work, they first investigated the three sources of supply of water, namely, Randolph, Ice Gulch and Perkins brooks, and were convinced that Ice Gulch brook would give a sufficient supply for domestic and fire purposes for many years, a supply of 400,000 to 450,000 gallons per day. We sent the State Board of Health a sample of water from each brook for analysis. They found each to be good water, the Ice Gulch brook considerably better than the others, the analysis of which is here given:

The State of New Hampshire.

STATE BOARD OF HEALTH.

## Laboratory of Hygiene.

SANITARY WATER ANALYSIS.

PARTS IN 100,00.

CONCORD, N. H., May 1, 1905.

LABORATORY No. 2816.

From A. N. Twitchell, Gorham, N. H.

Source of sample, Ice Gulch brook.

Odor, none. Color, 0.1. Turbidity, none. Sediment, very slight.

Free ammonia, .0000. Albumenoid ammonia, .0010.

Nitrates, .0000. Nitrites, .0000. Chlorine, .050. Total

solids, 4.80. Fixed solids, 3.10. Hardness, 0.40. Iron, —.

Lead, —. Colon bacilli, absent.

### REMARKS:

This is an excellent water, considerably better than the other two samples in that it is lower in color and contains no nitrates and a very low chlorine. It will make a very acceptable public supply.

Very truly yours.

H. E. BARNARD, Chemist.

The pipe line is so located and constructed, by having the Y's laid, that one, or both, of the other brooks can be taken in, if required, at any future time.

It was decidedly our opinion that the intake of water should be

located at a point on the stream far enough away to avoid taking in the drainage and wash of dwellings, barns and fields, that no contamination should result therefrom in the spring or from heavy rains. In thus locating the intake of water, it was found necessary to provide against an excessive pressure at the hydrants and service pipes inside of buildings. Therefore a location for the reservoir to govern the pressure and provide a reserve of water for hydrant use in case of fires, holding one million gallons, was selected on the side of Sugar hill, on land of J. T. and Isaac A. Peabody. The elevation of the reservoir above Exchange street is 233 feet, giving a static pressure of 100 pounds per square inch.

There has been laid, under the contract your committee made with Messrs. Moore & Co. of Boston, Mass., and Chandler & Ward, builders of the reservoir, the following lineal feet of the several sizes and kinds of pipe as follows:

12-inch cast iron pipe .....	10,261 feet
10-inch cast iron pipe .....	1,965 "
8-inch cast iron pipe .....	5,420 "
6-inch cast iron pipe .....	12,712 "
4-inch cast iron pipe .....	850 "
12-inch spiral riveted pipe.....	1,336 "
8-inch spiral riveted pipe.....	9,903 "
6-inch spiral riveted pipe.....	52 "
A total of .....	
	42,499 feet

### Expenditures by the Committee.

American Pipe Works, spiral riveted pipe..	\$5,360 64

Board of Water Commissioners, for their use.....	1,200 00
A. R. Evans, for cash paid out.....	5 00
Total payments.....	\$53,338 40

### Receipts.

S. M. Leavitt, treasurer.....	\$53,546 17
H. Harisburg, for cast iron scrap.....	44 05
Total.....	\$53,590 22
Payments to date.....	53,338 40
Balance in hands of the committee.....	\$251 82
There is a balance due Chandler & Ward, subject to the terms of contract.....	\$199 79
Moore & Co., subject to the terms of contract .....	400 00
	\$599 79
Total cost of system to date .....	\$53,988 19

The committee have not made an adjustment with Mrs. Charles Dickson and James M. Heath, for alleged damages. As it seemed desirable to push work upon the water system, in order to secure

fire protection at the earliest date, no work has been done upon sewers. This matter can be attended to the coming spring.

Respectfully submitted.

Total receipts, as above.....	\$461 75
Total expenditures, as above.....	360 26
Balance on hand, March 1, 1906.....	\$101 49

## Police Court.

To the Inhabitants of the Town of Gorham:

I beg to submit herewith the report of the Police Court for the year beginning February 11, 1905, and ending December 31, 1905.

Arrests were made upon the following charges:

Drunk .....	147
Killing deer out of season.....	3
Loitering about railroad station.....	1
Simple assault.....	4
Aggravated assault.....	5
Obtaining goods under false pretenses.....	1
Breaking and malicious mischief.....	3
Brawl and tumult.....	2
Breaking and entering.....	6
Idle and disorderly.....	5
Receiving stolen goods.....	1
Attempt to rape.....	1
Accessory to rape.....	1
Assault with intent to murder.....	1
Larceny.....	2
Exposing offensive matter in public place .....	1
Malicious destruction of property.....	1
Wantonly defacing building.....	1
Keeping liquor for sale without license.....	1
Disorderly house.....	1
Damaging fence.....	1
Operating slaughter house without permission.....	1
Giving liquor to minor .....	1
 Total.....	 191

The above complaints were disposed of as follows:

Committed to house of correction.....	24
Suspended sentences.....	51
Fines and costs paid .....	88
Discharged.....	11
Bound over to superior court.....	7
Nol prosseed.....	6
Dismissed .....	2

Appealed.....	2
Total.....	191
Amount of money received on fines and costs.....	\$544 74
Amount paid to treasurer.....	\$544 74

By a careful comparison of this report with the one of the preceding year it will be seen that although the financial returns from the court have been double what they were in 1904, yet the number of arrests has increased correspondingly. The number committed to the house of correction is the same as last year, while the number of suspended sentences has been doubled. I simply refer to these matters in order that you may see the necessity of better police facilities, which must follow the increase in crime. There ought to be two more cells added to the station, and it is absolutely necessary that a court room be found in which to hold the sessions of police court.

Respectfully submitted.

HARRY G. NOYES,

Judge of Police Court.

## APPENDIX.
